

PERFORMANCE PLUS TOP STOCK NATURAL FOR PIGS

'TOP STOCK NATURAL FOR PIGS, is an Organic Based Liquid stock supplement specifically blended from a kelp and molasses base and designed to fire up the animal's digestive system. We use a deep sea Kelp because it is the richest natural source of amino Acids, which when combined with molasses provides a complex range of trace elements, minerals and essential vitamins. To these we have added special pig specific vitamins, minerals and aminos.

The combination of these, provide a balanced diet of nutrients essential for maximum healthy growth.

FEATURES FOUND IN THE KELP AND MOLASSES BASE

Vitamins B1 and B2 which aid the animal's metabolism in coping with sudden changes associated with the feeding of pellets, mash grains or green feeds. Vitamin D to enhance the immune system, and Vitamin E for reproduction

The seaweed base is also the richest natural source of a wide range of Amino Acids normally present at low levels in the gut. Vital for food breakdown but deficient during periods of stress. Contains a complex range of trace elements essential for maximum production.

THE USE OF MOLASSES AND LIQUID KELP AS A STOCK SUPPLEMENT HAS BEEN SHOWN TO HAVE A BENEFICIAL EFFECT IN THE FOLLOWING:

Has been shown to be beneficial in the prevention and treatment of rye grass staggers. Better farrowing fattening and weaning weights. Increase weight gains, shorter time lapse from weaning to slaughter. Helps relieve stress. High conception rates. Better feed conversion.

FOR ANIMAL TREATMENT ONLY

PERFORMANCE PLUS TOP STOCK NATURAL FOR PIGS

For use as a nutrient supplement for animal's.

CONTAINS: Per 100mls

Molasses 22.09 - Liquid Seaweed Extract (Kelp) 22.0g - Trace Elements
ADMINISTER BY DRENCH GUN OR ADDITION TO FEED OR WATER

STOCK TYPE

SUGGESTED DOSAGE

Pigs	2ml daily - 15ml weekly	With Feed
Piglets	Post weaning - 5ml Weekly	

PERFORMANCE PLUS TOP STOCK NATURAL ALSO CONTAINS

(Derived from the Kelp and Molasses Base.)

Protein, Ash, Fat, Fibre, Moisture Carbohydrate

MINERALS

Nitrogen, Potassium, Boron, Cobalt, Fluorine,
Iron, Manganese, Nickel, Strontium, Zinc, Sucrose,
Barium, Phosphorus, Calcium, Copper, Iodine,

AMINO ACIDS

Alanine, Glycine, Leucine, Threonine, Methionine,
Phenylalanine, Glutamic acid, Ornithine, Arginine
Valine Isoleucine, Proline, Serine, Hydroxyproline,
Tyrosine, Lysine, Aspartic acid
