

**PERFORMANCE PLUS
TOP STOCK NATURAL + ZINC**

'TOP STOCK NATURAL + ZINC' is an 'Organic Based Liquid' stock supplement specifically blended from a kelp and molasses base and designed to fire up the animals digestive system. We use a deep sea kelp because it is the richest natural source of amino acids, which when combined with molasses provides a complex range of trace elements, minerals and essential vitamins. The combination of these provide a balanced diet of nutrients.

WHAT MAKES 'TOP STOCK NATURAL + ZINC DIFFERENT?'

- Top Stock Natural + Zinc used as a precautionary treatment at least two weeks before expected peak period will reduce the animals susceptibility to facial eczema.
- Contains rumen modifying amino acids for better digestion/conversion of poor pasture and zinc uptake reducing the susceptibility to facial eczema, plus molasses for palatability.
- No wastage, 100% availability. Can be mixed with most drenches.
- Assists in reducing stress related deaths.
- Amino acids, vitamins and minerals assist the animal to maintain conditioning and health during danger periods.
- Supplies elemental zinc to the animal.
- User and animal friendly. Save time on mixing, handling and administration.
- Contains vitamins B1, B2, D, E, extra copper and other necessary minerals and trace elements.
- **Top Stock Natural + Zinc will also assist in addressing nutrient problems related to facial eczema.**

KEY FEATURES

- Contains additional zinc
- Relieves stress in livestock.

BENEFITS

- Reduces animal's susceptibility to facial eczema.
- Has been shown to be beneficial for the treatment of foot rot.

NOTE: While Zinc oxide assists in the prevention of facial eczema, it also creates increased stress, therefore increasing the animal's problems, this can be counter-productive. The additional vitamins and minerals found in **TOP STOCK NATURAL + ZINC** alleviate this problem.

FOR ANIMAL TREATMENT ONLY

PERFORMANCE PLUS TOP STOCK NATURAL + ZINC

For use as a nutrient supplement for animal's where additional zinc supplementation is beneficial.

CONTAINS per 100ml
